CASE TITLE: ALBERT POET  
DOCUMENT NUMBER: 94610  
PERSON INTERVIEWED: Robert Miller  
PLACE OF INTERVIEW: Lester, Pennsylvania  
DATE OF INTERVIEW: 03/16/2006  
TIME OF INTERVIEW: 11:00 am  
INTERVIEWED BY: SA Marc Hess

OTHER PERSONS PRESENT: None

Dr. Robert Miller, MD, Executive Director, American Board of Otolaryngology (ABO), was telephonically contacted at 713/850-0399. After being advised of the identity of the interviewing agent and the nature of the interview, Miller provided the following information.

ABO is a member board of the American Board of Medical Specialties (ABMS). The member boards of ABMS certify physicians in particular specialties. The specialty of Otolaryngology includes the treatment of ear, nose and throat and could properly include the cosmetic use of Botox.

ABO does not provide a detailed code of ethics or standards of practice to physicians it has certified. Professional societies such as the American College of Plastic Surgeons are usually relied on to provide such standards. In matters where an ABO certified physician seems to have egregiously violated the code of ethics or standards of practice of an appropriate medical society, ABO will review the certification of the physician.

ABO does not provide continuing education to certified physicians concerning matters of patient care or use of approved drugs. Such matters are usually conducted by professional societies.

ABO would not endorse or approve a physician treating a patient with an unapproved form of Botulinum Toxin marked as not indicated for human use without not fully advising the patient of the identity of the substance and its restrictions.
