**UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY**

UNITED STATES OF AMERICA : Hon. Anne E. Thompson
v. : Crim. No. 06-643 (AET)
ALBERT POET, M.D. :

CERTIFICATION OF SHIRLEY SPAGNOLA

Shirley Spagnola, of sound mind and due age,
certifies as follows pursuant to 28 U.S.C. § 1746:

1. I received a botox treatment from Dr. Albert Poet from in or about 2000 through in or about 2004. I was contacted by an FDA Special Agent concerning my treatment by Dr. Poet during the summer of 2005. As a result, I have personal knowledge of the information contained in this certification.
2. On or about July 12, 2005, Special Agent Marc Hess came to my house, unannounced, and asked to speak to me regarding Dr. Poet's use of non-FDA approved botox.
3. During this conversation, Special Agent Hess informed me that people who had received non-FDA approved botox had become sick or died.
4. I told Special Agent Hess that I received an extensive oral consultation from Dr. Poet prior to the treatments.

5. The alternative botox product I received from Dr. Poet worked much better and lasted longer than Allergan's BOTOX®. I would allow myself to be treated with this product again, even if it was labeled for research purposes only and not for human use.

6. I continue to trust Dr. Poet, and I informed Special Agent of my trust in him.

I certify under the penalty of perjury that the forgoing is true and correct.
