Dear Ms. R [REDACTED]

The United States Food and Drug Administration (FDA) has received information indicating that during the year 2004, you may have been exposed to an unapproved form of Botulinium Toxin Type A.

The FDA is conducting an inquiry concerning the use of this product and would like to speak with you to discuss potential exposure. Please call Special Agent Marc Hess at your earliest convenience to discuss this matter. Mr. Hess can be reached at 610-521-7624 or via e-mail at [marc.hess@oci.fda.gov](mailto:marc.hess@oci.fda.gov).

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'D.M. Loveland'.
