Crim. No. 06-643 (AET)

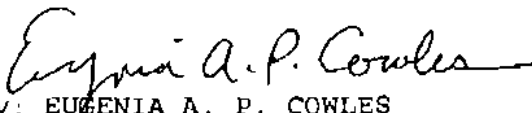

Dear Mr. Hughes:

Thank you for your letter of September 28, 2006. The government has produced at this time all materials it believes fall within the requirements of the Court's Discovery order and *Brady v. Maryland*. The government will continue to supplement discovery if and when it receives additional materials subject to disclosure.

To the extent, as your letter indicates, you believe the United States has in its possession additional materials subject to disclosure, please provide the government with a written record of the materials you are seeking so that we may attempt to assist you in obtaining such materials or otherwise address your specific concerns. Please feel free to contact me if I can be of further assistance.

Very truly yours,

CHRISTOPHER J. CHRISTIE
United States Attorney
